

Tech Data for
Coemar CF 7 WZ

lamp: Philips 700 MSR/SA
code 105089/1
base: GY9,5
lamp life: 500 hours
movement: pan 630° - tilt 270°
dimmer: mechanical electronically controlled
strobe/chaser/black-out: adjustable strobe flashing speed
programmable chaser effect
colours: CMY colour mixing system
beam shaping device: 360° shaping (par effect)
zoom: progressive zoom
3,5° - 10° (half peak angle)
7° - 19° (1/10 peak angle)
with diffusion filter
5° - 11° (half peak angle)
10° - 20° (1/10 peak angle)
max beam angle
28° (full beam)
ballast: electronic ballast with PFC (power factor correction)
ventilation: silent convective ventilation
display: reverse reading display
signal control: DMX 512
weight: 28 Kg., 61,72 Lbs.
item code: 9091P/L
